जीवन की हर राह कठिन है, पर मजिल तक जाना है।
कैसे हम आगे बढ़ पाते, यदि बुरा होते साथ नहीं।।

A Glimpse of Co-Scholastic Activities

A Glimpse of Co-Scholastic Activities

Message from the Director's Desk.....

"You will never reach your destination if you stop and throw stones at every dog that barks"

I feel extremely proud in announcing that year after year the efforts of our Principal Shri Manoj Kumar Dixit and his team of dedicated teachers have taken the school forward in terms of excellence as always evident by our CBSE results. Today we stand as one of the most noted educational institutions in heart of Bilhaur. We aim to provide quality education at affordable cost and our institution is also reaching to the disadvantages groups from the weaker sections. Our vast school campus, sports and academic facilities all bear testimony to this effort.

It is not only wide spacious campus, labs, and libraries that build a school, but a kinship of the students and teachers with the institution that creates the real school.

Teacher are trained not only to teach well but are also expected to inspire confidence and trust in their students and become role models.

We are confident that this school is the best place for your child. We welcome your active interest and involvement in the progress and activities of your child. We look forward to your continuous support. I extend my best wishes for the concerted efforts made by the principal, teachers and students of the school.

Mrs. Shatrupa Katiyar

Message from the Principal's Desk.....

I don't need an alarm clock, My imagination wake me. " Imagination is more important than knowledge."

I extend my heartiest greetings to young aspirants at Prabha Sunrise Educational Institute. As a Principal we believe that a model school should be the mirror of the child's personality wherein education should constitute the inner beauty. We are striving to identify and nurture innate talents and abilities. Experimentation and creativity through interactive and scientifically development activities, traditional values with modern knowledge and information all around development of the students without any discrimination and prejudices are the basic objectives of this great institution.

"Excellence is never an accident"

It is the result of high intention, sincere effort, intelligent direction, skillful execution and the vision to see obstacles as opportunities. We as institute believe that academics excellence achievement co-curricular activities will bring about the holistic development of our students.

For parents, I have to submit that child of course is the focal points of our life, We think " Your children need your presence more than your presents"

When you have brought up kids, there are memories you store directly in your tear ducts. Disciplining is a way of life to nurture and mould talent in a favorable way of course it has to be done in a very friendly way. We have an excellent team of very dedicated teachers and hardworking students who strive for excellence in all the fields of education and continue to cherish the noble values of our glorious nations. I assure you that we will come up to the expectations of parents and leave no stone unturned to develop PSEI into one of the best CBSE schools of the state.

Dear Children,

You would be into your next classes, with new books and new dreams for the new academic session. Moving up another class may not mean growing up biographically, calling (as after a birthday) but certainly it means growing up more sensible and responsible.

All the very best !

Mr. Manoj Dixit

विद्यालय

“विद्यालय ईंट और गारे की बनी हुई इमारत नहीं है, जिसमें विभिन्न प्रकार के छात्र और शिक्षक होते हैं। विद्यालय बाजार नहीं है जहाँ विभिन्न योग्यताओं के आने वाले अनिच्छुक व्यक्तियों को ज्ञान प्रदान किया जाता है। विद्यालय रेत का प्लेटफार्म नहीं है जहाँ विभिन्न उद्देश्यों से विभिन्न व्यक्तियों की भीड़ जमा होती है। विद्यालय सुधार गृह नहीं है, जहाँ चोर अपराधियों पर कड़ी निगरानी रखी जाती है। विद्यालय अध्यात्मिक संगठन है जिसका अपना स्वयं का विशिष्ट व्यक्तित्व है। विद्यालय गतिशील सामुदायिक केन्द्र है जो चारों ओर जीवन और शक्ति का संचार करता है।

विद्यालय एक आश्चर्यजनक भवन है जिसका आधार सद्भावना, जनता की सद्भावना - माता - पिता की सद्भावना, छात्रों की सद्भावना, सारांश में एक सुसंचालित विद्यालय - एक सुखी परिवार एक पवित्र मन्दिर, एक सामाजिक केन्द्र, लघु रूप में एक राज्य और मनमोहक वृन्दावन है, जिसमें इन सब बातों का मिश्रण है।”

THE INSTITUTION

Prabha Sunrise Educational Institute is a unique institute where education is imparted as a sacrament of Indian culture and values. The foundation of this institution was the brain wave of hon'ble Late Rampal's sons Shri Raju Katiyar, Shri Sanju Katiyar & Shri Birju Katiyar who endeavored to keep the ideals and principles of his father. The foundation of Prabha Sunrise Educational Institute was laid by hon'ble Smt. Chandraprabha on 30th April 2006. Our Institute is offering complete theoretical and practical knowledge of consciousness, which will open the gate of all possibilities in the life of the students.

INFRASTRUCTURE

We are shaped over a 3 acre campus. The massive structure comprises of various classrooms, library, laboratory, Prayer Hall and sports ground. Lush green lawns with beautiful flowers adorn the vast school campus giving aesthetic relief to the students. Overall it is a large, comfortable, loving and secure campus ideal for educational activities.

RECOGNITION

In keeping view with the rapid changes in the education scenario it was felt to switch over to the CBSE board was the need of the hour. The school is affiliated to CBSE since - 2015.

OUR SALIENT FEATURES

- CBSE co-ed Institution.
- Focus on holistic development of a student. Learning through acclaimed methodologies.
- Enriched with Indian culture.
- Provision of Audio, Visual made mode of teaching.
- Facilities of sports & Art.
- Well-equipped Labs.
- Stem class teaching.
- Fire Safety precaution.
- Fully secured campus under CCTV surveillance.

Our Mission

"We teach how to think not what to think."

At the institution our aim is to provide the best possible educational facilities to our students through hosts of academic, sporting, artistic, and cultural activities in a friendly but disciplined environment so that they may explore their full potential.

Our Vision

We endeavor to ensure that our students not only Co-exist with fellow human beings but also demonstrate sensitivity towards environment. We strive to equip our students with self confidence, self discipline, Independence and the understanding that duties always precede rights.

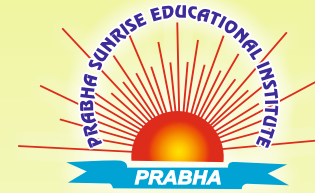

ACADEMIC STAFF:

"Talent works, Genius Creates"

A well qualified trained experienced and motivated teaching staff is the key to quality education. The ability of our teaching staff enables every child to acquire academic skills and develop an analytical approach to problem solving. We keep the less number of the students in each class to ensure individual attention and close supervision. The relationship between teachers and students does not end with the class. Besides regular parents and teachers meetings, the teachers keep in touch with the parents and create a better understanding among all. It gives a new depth to the teacher- students-parent relationship.

A TEAM OF DEDICATED TEACHERS

STEM CLASSES

STEM stand for science, technology, engineering and maths. These four symbols represent the different areas of STEM education. It is focus on project based learning in the classroom is key to STEM education. In stem classes teachers demonstrating what they teach, life skills, work life skills, teamwork and use of technology participation in community activities. Students learn to treat each other with respect and trust in stem classes.

प्रभा सनराइज एजुकेशनल इंस्टीट्यूट ने जीता वॉलीबॉल टूर्नामेंट

बिल्हौर, 27 नवम्बर। प्रताप इंटरनेशनल स्कूल में आयोजित सहोदय स्कूल टूर्नामेंट के वॉलीबॉल मुकाबलों में प्रभा सनराइज एजुकेशनल इंस्टीट्यूट, बिल्हौर ने विजेता का खिताब अपन नाम किया। जिला स्तरीय इंटर स्कूल खेलकूद प्रतियोगिता में कानपुर शहर के 15 प्रमुख विद्यालयों ने भाग लिया था। टूर्नामेंट के फाइनल मुकाबले में प्रभा सनराइज एजुकेशनल इंस्टीट्यूट ने ऑक्सफोर्ड मॉडल स्कूल को कड़ी टक्कर देते हुए शानदार प्रदर्शन के साथ विजय हासिल की। पूरे टूर्नामेंट के दौरान प्रभा सनराइज के खिलाड़ियों ने उत्कृष्ट खेल कौशल का परिचय दिया। जिससे उन्होंने सभी प्रतिद्वंद्वी टीमों को पीछे छोड़ते हुए विजयी स्थान प्राप्त किया। विद्यालय के प्रधानाचार्य मनोज दीक्षित ने खिलाड़ियों और खेल प्रशिक्षकों को इस शानदार उपलब्धि के लिए बधाई दी। प्रभा सनराइज इंस्टीट्यूट की इस जीत में खेल प्रशिक्षकों की भूमिका भी उल्लेखनीय रही। उनके कुशल मार्गदर्शन और रणनीतिक योजना के कारण टीम ने लगातार बेहतरीन प्रदर्शन किया। इस सफलता पर विद्यालय परिवार में उत्साह का माहौल है और छात्रों ने भी अपनी टीम की जीत का उत्साहपूर्वक स्वागत किया।

पहली कक्षा में प्रवेश की उम्र रखें छह वर्ष

जागरण ब्यूरो, नई दिल्ली: स्कूलों में प्रवेश प्रक्रिया शुरू होने के साथ ही केंद्र ने फिर से सभी राज्यों व केंद्रशासित प्रदेशों को बालवाटिका और पहली कक्षा में प्रवेश की उम्र सीमा एक समान रखने का सुझाव दिया है। इसके तहत बालवाटिका में प्रवेश की उम्र सीमा तीन वर्ष से अधिक और पहली कक्षा में प्रवेश की उम्र सीमा छह वर्ष रखने को कहा है। केंद्र ने राज्यों को यह निर्देश तब दिया है, जब कई राज्यों में मौजूदा समय में पहली कक्षा में प्रवेश की उम्र अलग-अलग है। वहीं स्कूली शिक्षा के ढांचे में शामिल की गई बालवाटिका कक्षाओं में प्रवेश की उम्र भी एक उम्र की कोई सीमा नहीं थी। जिन राज्यों में यह व्यवस्था लागू थी, वह अपने तरीके से प्रवेश दे रहे थे। पहली कक्षा में प्रवेश की उम्र छह वर्ष रखने को लेकर शिक्षा मंत्रालय ने पहली बार पहल नई राष्ट्रीय शिक्षा नीति के लागू होने के बाद की थी। हालांकि, इसके बाद कर्नाटक, गुजरात व असम जैसे कई राज्यों ने प्रवेश की उम्र सीमा को एक समान रखने के मंत्रालय के सुझावों को स्वीकारा था। साथ ही इसे अगले

केंद्र सरकार ने स्कूलों में प्रवेश की उम्र सीमा को लेकर राज्यों को फिर दिया सुझाव
 मौजूदा समय में कई राज्यों में अलग-अलग प्रवेश की उम्र सीमा से हो रही समस्या
 कुछ सालों में चरणबद्ध तरीके से लागू करने को लेकर सहमति भी दी थी। इस बीच स्कूली शिक्षा के ढांचे में बालवाटिका को भी शामिल किए जाने के बाद मंत्रालय ने राज्यों को इसमें प्रवेश के दौरान भी उम्र सीमा का पालन करने को कहा है। शिक्षा मंत्रालय के अनुसार, मौजूदा समय में उत्तर प्रदेश, बिहार सहित करीब 22 राज्य और केंद्र शासित प्रदेशों में पहली कक्षा में प्रवेश की उम्र सीमा पहले ही छह वर्ष है, जबकि गुजरात, कर्नाटक, दिल्ली और केरल सहित करीब 14 राज्यों में पहली कक्षा में प्रवेश की उम्र पांच से साढ़े पांच वर्ष थी। हालांकि पिछले दो सालों से मंत्रालय की पहल के बाद गुजरात, कर्नाटक, असम जैसे कई राज्यों ने इसे दूसरे राज्यों के समान छह वर्ष करने की पहल की है। वहीं केरल, उत्तर प्रदेश, राजस्थान जैसे राज्य

इसलिए प्रवेश की उम्र में एकरूपता लाने पर है जोर
 मंत्रालय का मानना है कि राज्यों में पहली कक्षा में दाखिले की उम्र सीमा अलग-अलग होना स्कूली शिक्षा की एक बड़ी विसंगति है। इससे नामांकन अनुपात की गणना में गड़बड़ी पैदा होती है। इसके साथ ही इसका दूसरा सबसे बड़ा खामियाजा उन बच्चों को भुगतना पड़ता है, जिनके अभिभावक ऐसी नीकरियों में हैं, जो एक राज्य से दूसरे राज्यों में शिफ्ट होते रहते हैं। ऐसे में उम्र की सीमा एक समान न होने से उन्हें दाखिले में दिक्कत होती है। इसके अतिरिक्त उच्च शिक्षण संस्थानों में प्रवेश सहित कई प्रतियोगी परीक्षाओं के आवेदन में उन्हें नुकसान होता है। अभी भी पहली कक्षा में दाखिले की उम्र पांच या फिर साढ़े पांच वर्ष रखने को लेकर अड़े हुए हैं। स्कूली शिक्षा की 10 प्लस 2 के ढांचे से निकालकर 5 प्लस 3 प्लस 3 प्लस 4 में तब्दील किया गया है। इस ढांचे के शुरू के पांच साल को बुनियादी स्तर (फाउंडेशनल स्टेज) नाम दिया गया है।

SCIENCE LABS

The institute has well equipped three laboratories for Physics, Chemistry and Biology. Students are encouraged to use these laboratories to learn through experiments. It helps students to remember the concepts better. Every year latest instruments, apparatus, specimens, charts, chemicals etc are purchased for these laboratories.

MATHS LABS

Institute has one Maths Lab where students can learn and explore various mathematics concepts and verify various mathematical facts and theorems using variety of activities and it is well equipped with necessary kits and tools. It provides an opportunity to the students to understand and internalize the basic mathematical concepts through concrete objects and situations.

RECREATION FACILITIES

There are many different forms of recreation which are shaped by individual interests of the students Music, dance, dramas gardening, reading novels, magazines, playing indoor games or out door games, are a regular talent enhancing the feature for the school. The motto of these recreations are to develop physical health, self-esteem and self-reliance, creativity and sense of accomplishment create more fun, enhance pleasure, reduce stress, promotes psychological well being. Dussehra, Diwali, Children's Day, Annual concert are distinctive features of PSEI defining the cultural standards of the school.

SPORTS ACTIVITIES

Physical Education promotes fitness, co-operation, sports-manship and school spirit. The institute has a huge playground where many popular sports like Volleyball, Handball, Kabaddi, Badminton, Kho-Kho are played under the guidance and supervision of qualified game teachers.

Apart from these indoor games like Carom, Table Tennis and Chess are also pursued with equal fervour. Martial Art (Judo-Karate) training is performed as for self-defense specially for girls.

Yoga, Pranayam and morning exercise are a regular feature which play a great role in giving tranquility to the mind.

CURRICULUM

Our school is a Co-educational English medium school affiliated to CBSE for secondary school certificate and senior secondary school certificate stage of Education in Science and commerce streams. The syllabus however is based on CBSE pattern and designed to achieve a balance between academics and Co-curricular activities which will enable the students to complete successfully at all levels. The curriculum is reviewed regularly keeping in mind the needs and demands of the times & society. The school offers quality education that compares well with the leading institutions across the country.

PEDAGOGY AND LEARNING

Pedagogy is described as the act of Teaching subject teachers create an interactive learning environment to inspire their students using teaching skill. In school children learn different languages skills and develop critical thinking abilities. Our teachers use the right tools and methodologies to teach children which is a science. Our teachers are focused on presenting the syllabus to students in such a way that it is relevant to their needs.

Learner centered pedagogy approaches the student is allowed to be active in the process of under standing and gaining knowledge. The students form groups of learners that learn together and work to solve a problem, build strategies, ideas complete a task. The students are given a learning environment that helps them in connecting with their syllabus.

Transport Facility :

The School has a well maintained fleet of buses according to the safety norms set by the authorities.

School buses or other Transport Facility are provided for arrival and departure of the students, whose parents are willing to avail of conveyance facility. Conveyance facility will be granted for throughout session. Conveyance fee is payable for 12 months.

Kids are like a saplings which has the potential to grow if they are nourished with love and care under the right guidance as provided in **Prabha Sunrise Educational Institute**. Ours is a friendly school where each and every student is understood, valued and attended to. We offer our students a stress free learning environment which encourages creativity and critical thinking. Parents are the biggest influence in a child's life therefore their support and involvement is paramount in raising standards. We always make time to talk to parent and update about their child's progress and well-being. We encourage parents to offer feedback and get involved in school life so that we may work to achieve a common goal, the holistic development of the child.
